_____

Hillside's mission statement is "*to impact in the life of children and young people, enabling positive personal development, to maintain a fulfilling life in the community*."

Planning Meetings, Planning Reviews and Progress Reviews are regulations which Hillside must meet within a certain time frame to look at your situation and provide any support that you may need.

Sometimes decisions are made which you may not agree with, but these maybe needed to keep you safe and because the law says so - you can talk to your Advocate about this.

It is important for you and your parent or guardian to attend your meeting, as well as your YOT Officer or Social Worker. Other people may attend and you should be made aware of who is attending before the meeting. Also, you have a right to be listened to and have a view in any decision made about you.

It is your meeting, your plan, your life.

ACKNOWLEDGEMENT
This is a participation project with young people at Hillside in collaboration with Unit Staff, Admin Support and Review Chair.
